

March 11, 2020

Dear NDA Members/Team Dart 2020 Players:

We are looking forward to conducting our 35th anniversary NDA Team Dart tournament April 2-8, 2020 in the Paradise Event Center at Westgate Las Vegas Resort & Casino.

Like virtually everyone, NDA has been closely monitoring information and the latest developments related to the coronavirus (COVID-19). With the startup of our tournament just over three weeks away, we wanted to provide you with an update on status and plans/recommendations for our upcoming event.

Presently, final preparations are underway for this year's Team Dart, with no plans to cancel or alter the current schedule in place.

Barring any mandates, decisions or actions made by the U.S. government and/or other outside entities, NDA's tournament will be conducted.

NDA is working with Westgate Las Vegas on enhanced sanitation in the Paradise Event Center and other areas of the hotel property.

Together, we will have "cleaning stations" in the aisles of the tournament, with wipes and hand sanitation products available there, as well as at all control stations, registration and main stage areas of the Paradise Event Center. We will also have portable sinks in place and are scheduling increased cleaning of the tournament hall area during our events.

NDA subscribes to the recommendations provided by the Center for Disease Control and Prevention (CDC) and World Health Organization (WHO), that offer the following advice:

- Practice frequent and meticulous hand-washing with soap and water or alcohol-based hand rub products;
- Avoid touching your eyes, nose, or mouth with unwashed hands;
- Cover your nose and mouth when coughing and/or sneezing with a tissue or flexed elbow;
- Avoid close contact with individuals with cold or flu-like symptoms;
- Quarantine anyone who is sick
- Ensure safe food sources; thoroughly cook meat and eggs;
- Do not share food or beverages

NDA's top priority is the safety and well-being of everyone involved in our organization and sport: our players, operator and manufacturer members, our tournament volunteers and staff. The coronavirus is a significant, serious health situation that is fluid and evolving and NDA will provide additional updates as warranted. Please look for further updates at: www.ndadarts.com

Again, we are looking forward to welcoming everyone to the upcoming, 35th edition of Team Dart in Las Vegas next month. Thank you for your support of NDA.

Sincerely,

Pat Webb
President
AMOA-National Dart Association
