

Statement on Cancellation of the 2020 NDA Team Dart:

March 13, 2020:

In response to the heightened concerns associated with the novel coronavirus pandemic, and to ensure the safety and well-being of its players and others participating in the upcoming NDA International Team Dart Tournament in Las Vegas, NDA's leadership is subscribing to the extreme precautionary measures adopted by other organizations and is hereby **cancelling the April 2-8, 2020 Team Dart event at the Paradise Event Center in Westgate Resort & Casino, Las Vegas, NV.**

"We regret that conditions and timing forced this decision," said NDA President Pat Webb. "We were so much looking forward to our 35th anniversary Team Dart and our board, Tournament Committee, volunteers and staff join our players in being deeply disappointed that it will not go on as planned next month. While not all will agree with this action, we hope the NDA darting community will understand and respect the rationale for it. We thank everyone for their patience and ongoing support."

Registered players for this year's Team Dart will receive a full refund of their entry fees through their vendor/operator. We are working through all of the many elements associated with the cancellation of Team Dart and are committed to providing updates to players within the next 10 days.

"It is indeed unfortunate there will be no annual Team Dart in the traditional time slot this year, as it is the 'crown jewel' of NDA events and a highlight of the darting season for all of us," Webb said. "As such, we are looking ahead with great anticipation to the April 15-21, 2021 Team Dart tournament at the Paradise Event Center in Westgate Las Vegas Resort & Casino."

In the meantime, NDA encourages its players, operators, manufacturers, staff, Team Dart volunteers, partners and vendors to focus on staying safe, healthy and happy with their loved ones during these challenging times.
