

Team Dart COVID FAQ:

What is the probability of Team Dart taking place this year?

Unless there is a serious reversal in recent trending, we fully expect Team Dart to proceed as scheduled: June 10-16, 2021. Will there be restrictions or limitations in place? We don't know at this point...and with no firm timelines on updates/changes, we may not know until "game time." However, as noted above, things are improving and we hope/expect this will continue as we move through spring and into summer and Team Dart.

Will spectators be allowed in the Tournament Hall?

Currently, NDA is planning to allow spectators at 2021 Team Dart, subject to any state and/or local mandates that may apply at the time of the event.

Will there be a mask-wearing requirement at this year's Team Dart?

If there are no state and/or local rules that mandate face-coverings during play at the 2021 tournament in the Paradise Event Center, NDA will not require players to wear masks. If such regulations are in place, NDA will follow and enforce such rules.

However, it is likely that most other public areas of the Westgate Las Vegas Resort & Casino—such as the lobby, casino, restaurants and meeting areas--will have some mask-wearing policy in place and players must abide by these requirements where and when applicable.

Any player or spectator who refuses to abide by such mandates will not be allowed to participate in the tournament and there will absolutely be no refunds (full or partial) for failure to comply with such rules.

Will there be limits on capacity in the Tournament Hall?

It is likely there will be restrictions on how many persons may be present at any given time during the tournament. If the number of players and spectators during any Team Dart events is expected to exceed the maximum allowable attendance threshold, NDA will implement rules to ensure compliance.

What about refunds if the tournament is cancelled?

If the 2021 tournament is cancelled for any reason prior to the start of the June 10-16, 2021 event, operators will receive a refund on their players' registration and it will be the responsibility of the operator to issue any/all related refunds to his/her players. NDA will not be responsible for issuing any player refunds—whether they be for event registrations, hotel deposits, airfares, other travel arrangements or any other expenses incurred by players through any third parties associated with Team Dart 2021.
